

EQUITIES

The Bank is an important player in the markets where it operates, in Asia, Europe and the Americas, having a strong distribution capability covering a wide base of domestic and international Clients

The Bank has an extensive equities brokerage business through locally based platforms, connected into the distribution hubs. Coverage includes Pan European Equities, including an Iberian, Polish and UK domestic expertise. Access in Asia, including mainland China is provided as part of Haitong Group.

The equities activities are well supported by our fundamental and insightful research as well as our innovative corporate access approach.

The Bank is a member of and operates directly in the main world stock exchanges, namely:

- London Stock Exchange
- Euronext Lisbon
- Madrid Stock Exchange
- Warsaw Stock Exchange

Through the local memberships of Haitong Securities and Haitong International Securities, the Bank provides access to the Shanghai Stock Exchange and Hong Kong Stock Exchange.

Best practices on advisory and best execution are at the core of our activities in the equities markets.
