

## GLOBAL ASSET MANAGEMENT

Solid history in European markets and experience in Asian markets

The Bank is undergoing a process of broadening its asset management activity, via its subsidiary Haitong Global Asset Management, SGOIC, S.A., formerly named Haitong Capital, SCR, S.A.. Haitong Global Asset Management will broaden its current focus on the private equity business leveraging its development on the strong experience of the Haitong Group in Asian markets and in Haitong Bank's solid history in managing European assets.

Haitong Global Asset Management will soon incorporate Haitong Bank's Asset Management Division activities, which represents a leap forward in terms of this business area's product offer, including the launch of new strategies and funds.
