Deposit Guarantee Fund

The deposits constituted at **Haitong Bank, S.A.** ("the Bank") benefit from a reimbursement guarantee provided by the Deposit Guarantee Fund (Fundo de Garantia de Depósitos – FGD) or the Investor Indemnity System (Sistema de Indemnização aos Investidores – SII) whenever those deposits are unavailable for reasons directly related to the Bank's financial situation.

The Deposit Guarantee Fund ensures the reimbursement up to a maximum amount of € 100,000.00 (one hundred thousand euros) per depositor, whether or not depositors reside in Portugal and regardless of the currency of the deposits.

When calculating the amount of deposits per depositor, the global amount of the deposit accounts at the date of the payment unavailability from the Bank is considered, including interests; the balance of foreign currency deposits is converted into Euro for that purpose, at the exchange rate of the date in question (reference exchange rates as disclosed by the Bank of Portugal).

The reimbursement should occur in a maximum of 7 business days for a parcel of up to € 10,000.00 (ten thousand euros), and the remaining amount, up to the € 100,000.00 (one hundred thousand euros) limit, in a maximum of 15 business days. The deadline shall begin from the date in which deposits are unavailable. In exceptional circumstances, the FGD can ask the Bank of Portugal for an extension of that deadline, for a period that does not surpass 10 business days.

For more information, please consult the following websites: www.clientebancario.bportugal.pt/ and <http://www.fgd.pt/>.
