Fiscal Information is general in nature and must be seen within the specific characteristics of each customer and transaction..

Haitong Bank, S.A. is an institution registered at the Bank of Portugal and the CMVM, and is authorised to perform financial intermediation.

In hiring investment services in securities, retail investors should review pricing carefully to calculate the total expected costs of the investment to be made, including holdings in securities, and compare them with any expected income. Before hiring the service, investors should always consult the CMVM recommendations available on the CMVM website (www.cmvm.pt) where they can also compare the price of its authorized intermediaries and perform cost simulations.

The Haitong Bank, S.A. participates in the Investor Compensation Scheme, approved by Decree-Law No 222/99 of 22 June and regulated by Implementing Order No. 1266/2001 of 06 November, which guarantees the amounts due to investors with a financial intermediary that does not have the financial capacity to repay or redeem the financial instruments deposited by customers or managed on their behalf, and the money deposited by customers with the financial intermediary and explicitly intended to be invested in financial instruments, up to € 25,000.00 per investor. A detailed description of the terms and scope of this system is available on the CMVM website (www.cmvm.pt).
